## PROFESSIONAL SUMMARY

I am passionate and results driven Full-Stack ASP.NET Developer with 2+ years of professional experience designing, developing, and maintaining scalable web applications across the full SDLC. Proficient in **C#**, **ASP.NET MVC**, **ASP.NET Core Web API**, **.NET Framework**, and **Entity Framework** for robust backend development, with strong front-end skills in **HTML**, **CSS**, **JavaScript**, and **Bootstrap**. Proven ability to work across backend services, relational databases, cloud infrastructure, and UI design. Immediate joiner.

## TECHNICAL SKILLS

<b>Backend:</b>	C#, ASP.NET MVC, ASP.NET Core Web API, .NET Framework, Entity Framework, WebForms
<b>Frontend:</b>	HTML, CSS, JavaScript, Bootstrap, Jquery
<b>Database:</b>	MS SQL Server
<b>Cloud &amp; Infrastructure:</b>	Microsoft Azure, Windows Server, AWS
<b>Design &amp; Tooling:</b>	Figma, Adobe Photoshop, Git, Visual Studio
<b>Practices:</b>	UI/UX Designing, MVC Architecture, SDLC, Debugging, Requirements Analysis, Testing

## PROFESSIONAL EXPERIENCE

**Tarasvi Infotech Pvt. Ltd.**  
*ASP.NET Full-Stack Developer*

**Shivamogga, Karnataka, India**  
*November 2023 – December 2025*

- Developed and delivered full-stack web applications using **C#**, **ASP.NET MVC**, **ASP.NET Core Web API**, and **Entity Framework**, following MVC architecture principles and clean code practices across multiple concurrent projects.
- Built and consumed **RESTful Web APIs** using .NET Core, enabling seamless data exchange between front-end interfaces and back-end services.
- Designed and optimised **MS SQL Server** databases including table schema, stored procedures, and complex queries to support application performance and data integrity.
- Implemented responsive, cross-browser-compatible front-end interfaces using **HTML5**, **CSS3**, **JavaScript**, and **Bootstrap**, ensuring consistent user experience across devices.
- Conducted thorough **debugging, testing, and root-cause analysis** on live applications, identifying and resolving defects to improve system reliability and reduce recurring issues.
- Participated in **requirements analysis and sprint planning**, translating business requirements into technical designs and delivering features within agreed timelines.
- Managed **Windows Server** environments and leveraged **Microsoft Azure** and **AWS** cloud services for application hosting, configuration, and deployment.
- Produced UI wireframes and design assets in **Figma** and **Adobe Photoshop** to streamline designer-developer collaboration and maintain visual consistency.

## EDUCATION

**Kuvempu University, Shankaraghata**  
*Bachelor of Computer Applications (BCA)*

**Shimoga, Karnataka, India**  
*June 2018 – November 2021*

## HONOURS & AWARDS

- Gold Plus District Topper Award** — Recognised for outstanding academic performance at the district level.
- District Level Essay Writing Competition** — Award recipient demonstrating strong analytical and written communication skills.
